

Are YOU Right for the USA Honors College?

Admission is competitive and holistic, but generally speaking, we're looking for students who:

- Have a harder time deciding what they DON'T want to do in life than what they DO want to do
- Are explorers – curious about, and interested in, everything under the sun
- Seem to end up being indispensable to whatever groups they join
- Want to learn how to shape the world, not just live in it
- Have a high school GPA of 3.5 or above
- Have an ACT score (or SAT equivalent) of 27 or above (this is not a requirement – our students have lots of different talents – but may be a useful benchmark)
- Aspire to graduate school, professional school, or highly competitive career fields
- Want to get as much as possible out of their college experience
